

LEED SPECS

Product Contribution Towards LEED Certification:

MRc4 - Recycled Content

Clayhaus ceramic product line contains 10% pre consumer waste and 10% post consumer waste and will contribute to MRc4.

MRc5 - Regional Materials

All pre-consumer and post-consumer recycled glass used in our production is collected and harvested in Kent, WA. For projects within a 500 mile radius of our glass harvest location in Kent, WA and manufacturing site located in Portland, OR, Clayhaus tile products will contribute 20% of material cost to MRc5.
